In humility I bow before you. I admit that I bring nothing to this role outside of what you gift and empower me to do for your glory. I ask you to remind me when I begin to work in my own strength.

I have been invited to this seat at the table. I am not here by accident, but by invitation.

God has me here for such a time as this. I'm grateful for L.J. Allen coaching and speaking business. My role is important. It's helping people gain confidence, clarity, capacity and hope.

You have wired me to prepare me for this assignment. I aim my WOO as I influence others. I turn good things into great things with MAXIMIZER. I build bridges with CONNECTEDNESS. I see, affirm and draw out uniqueness through INDIVIDUALIZATION and I exhort others with my POSITIVITY. My Enneagram 3 motivates others and escalates goals and initiatives.

I have the mind of Christ. When I sit down to a task, I will resist doing it in my own strength. When I face a challenge outside of my comfort zone, creativity or skill set, I will seek wisdom from Christ and others as he directs and provides for me.

I will bring energy and passion for this role and trust God to give me all I need each day, knowing that tomorrow's manna will be waiting for me when I need it.

Help me see you, Jesus, in my clients and audiences. Help me be you to my clients and audiences. Give me patience and a compassionate understanding of each person I interact with daily. Help me always seek to understand before being understood. Help me speak truth in love and not be tempted to speak about others, but to them.

2 Timothy 1:12 says I know whom I have believed and I am convinced that he is able to guard that which I've entrusted to him for that day. I entrust my financial provision to you. I entrust my networking conversations to you. I rely on working hard to plant seeds of cultivation for my ministry/business, but rely on you according to Genesis 40:14 that you will advocate and allow others to mention me to event planners, prospective clients and beyond.

By God's grace I'm prepared.
